

PAINT INFORMATION

Please refer to your closing package for your “Home Care Kit Gift Certificate.” This entitles you to receive one “Home Care Kit Box” complete with touch-up supplies.

You will need to bring your paint color names with you when you visit a store for touch-up paint. This will ensure faster service and correct colors for exact match. Your interior and exterior paint colors are listed on a sticker inside your electrical panel box located in the garage. However, you may call our Customer Service Department at 864-288-3027 if you cannot locate this sticker.

Listed below are the South Carolina ICI paint stores where you may purchase the paint used in your home. You may also visit their website at www.icipaintstores.com or call 1-800-984-5444.
